Define Problem Statements (Customer Problem Statement Template):

PocketSmart AI addresses the difficulty of tracking personal income and expenses, monitoring a monthly budget, understanding spending patterns, and obtaining useful financial guidance in one place.

Problem Statement	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A student or budget-conscious user	Track income and expenses and stay within a monthly budget	Transactions and spending information can be difficult to organize and interpret	Manual tracking can be time-consuming and fragmented	Uncertain about spending and savings decisions
